

Tralift® Range of Manual Chain Hoists

- WLL 0.25 to 20 tonnes, in accordance with EN13157
- Swivel 360° hooks
- Automatic double pawl brake
- Tested to 150% of working load limit
- Self lubricating anti corrosion chain to EN818. (Salt spray resistance 400 hours, and at a temperatures of up to 200°C)
- Optional load limiting device

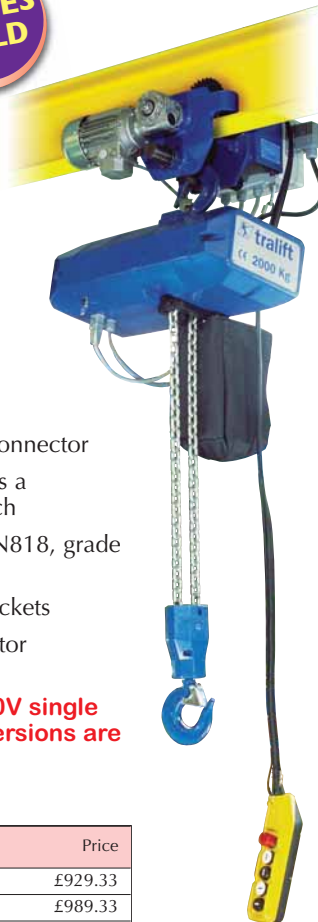

Lift Height	Capacity kg	Code	Price
3m	250	WP250	£87.27
3m	500	WP500	£111.07
3m	1000	WP1000	£145.07
3m	2000	WP2000	£209.67
3m	3000	WP3000	£232.33
3m	5000	WP5000	£402.33
3m	10000	WP10000	£980.25

Tralift® TE Electric Hoist

- Upper and lower electrical limit switches
- Extra low voltage control using Schneider group components
- Emergency stop button on pendant control station
- Control cable with plug-in connector
- Friction load limiter acting as a mechanical safety limit switch
- Lifting chain to DIN5684+EN818, grade 80 galvanised
- Multi sized chain storage buckets
- IP54 protection - Class F motor insulation
- **Supply voltage 230 or 400V single speed units, two speed versions are available on request**
- FEM Group 1 Am ISO M4

Lift Height	Capacity kg	Code	Price
3m	125	WP125TE	£929.33
3m	250	WP250TE	£989.33
3m	500	WP500TE	£1061.33
3m	1000	WP1000TE	£1322.67
3m	2000	WP2000TE	£1620.00

Bravo® Range of Lever Hoists

- WLL 0.25 to 6 tonnes
- High tensile alloy steel lever hoist. Ideal for building, civil engineering and industry
- Can be used in any position, both on building sites and in workshops
- Ideal for pulling, lifting, positioning and adjusting
- The hoist rotates freely round 360° on swivel hooks with overload opening indicators.
- Selection of neutral position not possible once load taken up, with automatic engagement of the brake
- Automatic double pawl brake
- Test to 150% of working load limit
- Self lubricating anti corrosion chain to EN818. (Salt spray resistance 400 hours, and at a temperatures of up to 200°C)
- Optional load limiting device

Lift Height	Capacity kg	Code	Price
1.5m	250	WP250B	£73.67
1.5m	750	WP750B	£139.40
1.5m	1500	WP1500B	£162.07
1.5m	3000	WP3000B	£266.33
1.5m	6000	WP6000B	£453.33

All lifting equipment is supplied complete with the appropriate certificates
