

Duplex Flat Lifting Slings

SAMSON Duplex Flat Lifting Slings

Flat slings are available with metal end fittings, soft sewn eyes or as endless belt slings. Woven from high tenacity polyester yarn, these slings offer solutions to most lifting problems. Their low weight, flexibility of use and ease of handling can give significant improvements in safety and costs when compared to other forms of lifting equipment. All slings are manufactured under our ISO9001 Quality.

Systems Flat Slings manufactured to EN1492-1/Machine Directive 98/37/EC. Flatslings available up to 40 tonne WLL.
