

Bolt Free Adjustable Shelving Kits

- High quality attractive design, with unpierced faces of Beams and Uprights
- Shelves are galvanised as standard
- No ugly cross braces required
- Frame epoxy powder coated blue with silver/grey Beams and Ties
- Fully adjustable shelves at 50mm pitch
- Single (Starter) bays - then add extra (extension) bays as required

Please note: That floor fixing is required for bays that exceed a height to depth ratio of 4:1
