

Heavy Duty Security Cupboards

- A range of heavy duty security cupboards ideal for storing valuables, computers, confidential papers etc
- Manufactured from 1.6mm welded steel
- Heavy duty handle supports a 3 point locking system with heavy duty locking bars which secure the door through to the top and bottom frame
- Swan neck design of the doors means that even if the hinges are ground through the doors will still stay in place
- The continuous hinge system gives greater security than individual hinges
- The heavy duty security cupboards are powder coated for durability and are available in 3 door colours: blue=BE, grey=GY and red=RD please add suffix to end of code. i.e. WP189046Z in Red = WP189046ZRD

Carcass is Light Grey
