APGS02

| No of Steps | Platform Height mm | Platform Size L x W mm | Folded Size L x W x H mm | kg | Code | Price |
|-------------|--------------------|------------------------|--------------------------|----|--------|---------|
| 2 | 460 | 870 x 300 | 870 x 500 x 220 | 6 | APGS02 | £89.37 |
| 3 | 660 | 1080 x 300 | 1100 x 500 x 220 | 8 | APGS03 | £107.42 |

- Comply to EN-131 Regulations
- Plastic tool tray
- Capacity: 150kg

APJ02Z shown folded

Serrated treads on platform help give an anti-slip work surface. For compact storage and transportation the tool tray and legs fold away.

| Platform Height | Platform L x W mm | O/A Height | Folded L x W x H mm | kg | Code | Price |
|-----------------|-------------------|------------|---------------------|-----|--------|--------|
| 480mm | 980 x 300 | 1130mm | 1020 x 390 x 320 | 6.7 | APJ02Z | £83.91 |

Access Equipment Work Platforms

Aluminium Access Platform

- Lightweight mobile platform
- 4 Swivel braked non mark castors
- Versatile platform can be split into step platforms (See below left)
- Unit folds for compact storage

Load Capacity: 150kg
 Unfolded LxWxH: 1165 x 555 x 1265mm
 Folded L x W x H: 155 x 555 x 1265mm
 Step Heights: 290, 595, 890, 1190mm
 Weight: 15kg

| Description | Code | Price |
|---------------------------|--------|---------|
| Aluminium Access Platform | AAP26Z | £104.72 |
