

Double Sided Safety Signs

Ideal for situations where the same message needs to be viewed from both sides. Material: 3mm rigid plastic with pre-drilled holes for easy fixing (all codes starting TS).

Message Symbols are the same unless shown differently

Hanging Kits

Use the hanging kits shown right to display your double sided safety signs.

300x900 TS22AR

150x450 TS19BR
300x900 TS19AR

150x450 TS97BR
300x900 TS97AR

Size	Price
150 x 450mm	£32.61
300 x 900mm	£54.89

Remember to quote the CODE correctly - All 3mm Rigid Plastic

Floor Safety Signs

Use floor safety signs in conjunction with wall mounted safety signs to make sure your safety messages are highly visible throughout the workplace

- Ideal for offices, receptions, factories, warehouses and public places such as hotels, restaurants, shopping centres and schools
- Effective at entrances, in passageways or near machinery
- Anti-slip
- Extra durable
- Easy to use
- Easy to see even in high traffic areas

Material: Strong protective surface to ensure durability and an adhesive backing which is easy to apply and will adhere to most clean and smooth floor surfaces in seconds
