

## Directional Signage System

This modular directional signage system is easily set up by the user - saving costs over bespoke signage products. Information is quickly and simply changed as required.

- Contemporary styled in cool white with a striking accent colour
- Installation takes a matter of minutes, simply affix the mounting post to the wall and snap each of the modules in place
- Modules can be mounted left or right handed to add flexibility to the layout
- Individual wall signs are available to continue the directional scheme throughout the building - see below
